Re: Response to Letter dated April 17, 2007, regarding October Quarterly
Report (7/20/06 - 9/30/06)

Dear Ms. Hubbard:

This letter is in response to the above-referenced inquiry. All of the matters addressed in your letter have been corrected in amended reports that will be filed no later than May 17.

Specifically, the information requested regarding the occupation and employer of certain contributors has also been corrected. We had a staff change toward the end of the campaign that resulted in this task not being completed.

Following a conversation with another Campaign Finance Analyst today, we have changed the description of the purpose of the disbursement to The Catalyst Group to Fundraising-Consulting.

I hope this information and the amended reports provides the requested data. If you have any questions, please feel free to contact me.

Sincerely,

By:
